(Internal use only)

To: Cheryl Harris, University Counsel

From: _____

I hereby recommend the following waiver from the University's Standard Contract Provisions for the above reference Agreement.

Proposed Change(s): (ie, Insurance requirement should be reduced for the above referenced event.)

Reasoning: (ie, Low risk event because does not involve dangerous props or audience physical participation, and potential for injury/damages is so low as to not warrant requiring standard insurance coverage limits. Therefore, I recommend the required insurance limits be reduced to \$100,000.)

This recommendation does not limit the Contractor's responsibilities to the University for any damage or injury that may occur as a result of Contractor's actions or activities while on University's premises. All other terms in the proposed Agreement are complete, have been reviewed and are acceptable to the undersigned.
