* These courses are hubbed and must be taken together.

Students in the BFA program will be required to submit a portfolio to the faculty in their last semester of their sophomore year for assessment review. Portfolios will include examples of drawing and 2D and 3D works completed at EKU in a variety of courses. Students will refer to www.art.eku.edu for specific portfolio requirements and portfolio development instructions. Students wishing to pursue the BFA degree must maintain a 2.75 GPA and earn a grade of "C" or higher in all courses within the School of Art and Design. If the student's GPA falls below a 2.75, the student may pursue a Bachelor of Science in Studio Art.

Upper division courses: All students are required to have a minimum of 42 hrs. upper division (300-level or above) courses distributed throughout Major/Supporting/Gen Ed/Free Electives categories. If 300 level classes are taken for Gen. Ed., they can be used to fulfill the 42 hours instead of upper division free electives.

Candidates earning a degree that leads to teacher certification must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the optimal time to take required exams.
