EXIT REQUIREMENTS	
Students must register for and take the PRAXIS exam which correlates to their degree program, per College of Education requirements. Refer to Degree Works for exam details. The PRAXIS exam must be taken prior to student teaching.	

Program is offered in cooperation with EKU's College of Education & Applied Human Sciences (CoEAHS). Candidates earning a degree that leads to teacher certification must maintain a 2.75 GPA; earn a 'C' or better in all History, Education, and supporting coursework; and obtain admission to the Professional Education Program. Candidates must take the PRAXIS Series (Professional Assessments for Beginning Teachers) and PLT (Principles of Learning and Teaching) exams as a requirement for graduation. Candidates are encouraged to review the schedule for PRAXIS and PLT registration deadlines prior to beginning the senior year (www.ets.org/praxis). Specialty exams are required for each certification area sought and it may take more than one test date to complete all requirements. Candidates should confer with their education advisor/counselor to determine the optimal time to take required exams.

Upper division courses: All students are required to have a minimum of 42 hrs. upper division (300-level or above) courses distributed throughout Major/Supporting/Gen Ed/Free Electives categories. If 300 level classes are taken for Gen. Ed., they can be used to fulfill the 42 hours instead of upper division free electives.

Refer to the University Catalog at <http://www.catalogs.eku.edu/> regarding University and General Education Requirements.

* Must take 2 courses among HIS 302A, 302B, 302C.

G Course also satisfies a General Education element. Hours are included within the 36 hours in General Education.

+ These courses are hubbed and must be taken together.
