

501 – Phase B Authorization

501.1 Approval: The Phase “A” (schematic design) documents including the Phase “A” cost estimate must be accepted/approved by DFMS Project Management. The Architect-Engineer will be notified of these approvals by the Project Manager.

501.2 Authorization to Commence with Phase B: The Architect-Engineer will be notified by DFMS Project Management after approval of Phase “A” documents. Architect-Engineer should not proceed without notification.
