TRANSFERRING FROM KCTCS

KCTCS (the Kentucky Community & Technical College System) and ECU enjoy a close relationship and share much of the same introductory coursework. We have created pathways that lead from a KCTCS credential to an ECU bachelor's degree. These pathways should be used in conjunction with a professional transfer advisor from ECU and your KCTCS campus. Established equivalencies from KCTCS and other accredited institutions are also available.

CREDIT FOR PRIOR LEARNING

The training and work experiences you've gained outside the classroom are valuable. We are committed not only to providing you with a top-notch education, but to help you graduate quickly, saving you both time and money. Whether it's military service or specialized high school coursework, ECU has processes for evaluating workplace training and educational experiences to help you receive academic credit for college-level learning and accelerate your academic progress.

Credit opportunities include:

- Military Experience
- External Examinations
- Industry & Workplace Credentials
- ECU Examinations
- High School Credit
- Non-Collegiate Course Credit

On-Campus

TRANSFER SCHOLARSHIP OPPORTUNITIES

- Transfer Student Scholarships
- Phi Theta Kappa (PTK) Scholarship
