SEN 1819 016 An Act Concerning Student Government's IT Fund

Whereas, The Student Government Association is allocated \$100,000 of the student technology fee to disperse for the betterment of the students of Eastern Kentucky University, The Information Technology Committee being responsible for future information and technology advancements at Eastern Kentucky University and being responsible for the allocation of the Student Government Association's \$100,000 portion of the Student Technology Fee, and,

Whereas, Eastern Kentucky University has not seen a raise in the Student Technology Fee in twenty years, and inadequate funds have been allocated to classroom upgrades; be it therefore,

Enacted, The Student Government Association will allocate \$50,000 of the Association's IT fund to the office of Information and Technology for the period of five years for the purpose of upgrading classrooms beginning the 2018-2019 academic year and shall allocate \$30,000 of the Association's IT fund to the office of Information and Technology on a review basis at a time for the purpose of renovating the tech commons beginning the 2018-2019 academic year. All amounts of the IT fund shall be returned to the association after the timeframe specified unless renewals are granted by the Student Senate.

Enacted, The Information Technology Committee of Student Senate sit on a committee composed of its members with the IT officers of Eastern Kentucky University to determine the specific allocation of the association's funds towards the tech commons. This committee shall also provide an itemized budget to present to the Student Senate during the fall and spring semester.
