A Resolution Concerning the Goals of the Information Technology Committee

- Whereas, Eastern Kentucky University Student Government Association works to serve the Student Body and to continually improve the University; and,
- Whereas, The Information Technology Committee shall be responsible for monitoring any future information and technology advancements at Eastern Kentucky University and be responsible for the allocation of the Student Government Association's \$100,000 portion of the student technology fee, and,
- Whereas Eastern Kentucky University has not seen a raise in the student technology fee in twenty years, and inadequate funds have been allocated to classroom upgrades, and,
- Whereas, The Information Technology Committee is willing to work with the office of IT in order find a solution to the aforementioned issue and actively participate in the design of the new Tech Commons and classroom technology, and,
- Whereas, The Information Technology Committee will work diligently to more fairly distribute the Student Government Association's portion of funds from the student technology fee, be it, therefore,
- Resolved, the Information Technology Committee of the Eastern Kentucky University Student Government Association, Student Senate, meet the goals set forth by its members by the end of the 2019 school year.
