A Resolution Concerning Tuition

- Whereas, The Student Government Association of Eastern Kentucky University represents the student body of our campus and set forth the goal of speaking on behalf of their desires; and,
- Whereas, The student body of Eastern Kentucky University has shown a commitment to the academic performance of our university and desire to improve upon the current conditions in our classrooms and study areas; and,
- Whereas, The current academic conditions within our university have been neglected due to lack of investment and available funds; and,
- Whereas, The student body of Eastern Kentucky University would benefit greatly from an updated learning environment that is more equipped for 21st-century learning and can match the environments of some of the top universities within the state and nation; be it, therefore,
- Resolved, That the Student Government Association of Eastern Kentucky University recommend that any tuition increases for the 2019-2020 academic year are primarily committed to academic infrastructure improvement.
