A Resolution of Support for Mandatory Ingredient Listings in Dining Facilities

- Whereas, The Student Government Association of Eastern Kentucky University represents the student body of our campus and sets forth the goal of speaking on behalf of students' desires; and,
- Whereas, The student body has expressed growing concern in the ingredients used in meals prepared in Eastern Kentucky University's dining facilities; and
- Whereas, Eastern Kentucky University's dining facilities have failed to provide accurate information on ingredients and possible allergens in the meals provided; and
- Whereas, Without proper and accurate knowledge of ingredients, there is a health and safety risk to the student body; be it, therefore
- Resolved, That the Student Government Association of Eastern Kentucky University recommend that Eastern Kentucky University's dining facilities include all ingredients found in any food or beverages served or available for purchase easily accessible to students.
