

VIOLENCE PREVENTION

What To Do If...

Someone Comes in and Has Been Raped or Sexually Assaulted

Updated: November 16, 2023

- Make sure they do not need immediate medical attention
- Make sure they know if you are a mandated reporter. Make sure they know what they means
 - You have to file a Maxient with the Title IX office
 - Someone from Title IX is going to follow up with them
 - They will offer them the decision of what they want to do
 - They do not have to pursue an investigation. It is up to them
- Listen to them, understand what they are saying and believe them
- Give them control over next steps
